## SIDEWALKER A FRAME SIGNS

### **STEER FOOT TRAFFIC IN YOUR DOOR**

#### *BENEFITS OF STREET WALKER A-FRAME SIGNS*

Side Walker A Frame signs give you a compact high visibility platform to display your message.

Their portability make them a perfect solution for shopping centres, footpaths, trade shows and other venues where larger signage solutions may not be suitable.

#### *STYLE VARIANTS*

These freestanding double sided units are available in five and six line configurations, with the five line model offering space at the top and bottom for your graphics.

#### *CONSTRUCTION DETAILS*

All weather Vacuum formed 6 or 5 line double sided heavy duty faces (White). Steel Galva bond frame construction  
Comes with three hundred (300) changeable letters & numbers etc  
Message, graphics or sponsor area at top of sign
